This year, we're mixing things up to make the event even more special:

One regional celebration

For the first time, the awards ceremony will be a single event for the whole Isaac region, hosted in Moranbah. Stay on after the ceremony and enjoy the live band, canapés, kids activities, a chance to chat with your Councillor, and congratulate the winners!

A tradition of prestige

The event will continue rotating annually to the hometown of the previous Citizen of the Year winner, keeping the spirit of community alive and well.

Travel in style

Free buses will run from Isaac townships to Moranbah, complete with dessert boxes for the ride home and an Australia Day gift bag for each passenger.
